Submission details

Plan modification: Westfield St Lukes Proposed plan modification 8 - private plan change E06-05(1)

1. The specific provision of the plan modification that my submission relates to is: Expansion of Business 8 zoned land.
Exeter Road Extension.

2. I/we : Oppose

3. The reasons for my / our views are: The expansion of the St Lukes mall into a residential area will cause increased traffic / parking issues for residents.
The height of the buildings (up to 30 metres high) in a residential area will look terrible for surrounding properties.
There will be increased traffic and noise pollution from the mall.

4. I / We seek the following decision from the council: Decline the plan modification

5. I / We wish to be heard at the council planning hearing: No

6. I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
