**This is a submission on proposed St Lukes Plan Modification 8**

Current Auckland City District Plan: Operative Isthmus Section 1999

Submission :

I support the proposed plan modification and in particular the provision for the likes of :

- 1.  Additional parking on Westfield land
- 2.  Improved pedestrian access to and from the centre
- 3.  Improved access to and from immediate neighbourhood
- 4.  Further uses of Westfield land for community, residential or office uses, in addition to retail
- 5.  A main street environment, similar to Nuffield St, Newmarket
- 6.  Wider variety of shops and services

Additional comments: *I am in support of the proposed improvements as I am a great fan of open planned spaces for public where people can enjoy their leisure time with friends and family.*

*As I understand, St Lukes Mall management is assuring to take adequate steps to improve traffic management and not to block sunshine*

**I request that Council approve the plan modification.** *and to take adequate steps to address congestion. I am for it.*

I do/~~do not~~ (strike one out) wish to attend the hearing in support of my submission
