This is a submission on proposed St Lukes Plan Modification 8

Current Auckland City District Plan: Operative Isthmus Section 1999

Submission :

I support the proposed plan modification and in particular the provision for the likes of :

1. Additional parking on Westfield land
2. Improved pedestrian access to and from the centre
3. Improved access to and from immediate neighbourhood
4. Further uses of Westfield land for community, residential or office uses, in addition to retail
5. A main street environment, similar to Nuffield St, Newmarket
6. Wider variety of shops and services

Additional comments :

I would like cafes/food court with open-air seating and/or skylights with natural light.

I would like a New World Supermarket - because at the moment all the local ones are Foodtown.

I would like the phasing on the lights on St Lukes Road changed so I can walk from the Mall to the Mega Centre in

I request that Council approve the plan modification. one set of pedestrian lights instead of waiting halfway

I ~~do~~/do not (strike one out) wish to attend the hearing in support of my submission

for the next cycle.
