This is a submission on proposed St Lukes Plan Modification 8

Current Auckland City District Plan: Operative Isthmus Section 1999

Submission :

I support the proposed plan modification and in particular the provision for the likes of :

1. Additional parking on Westfield land
2. Improved pedestrian access to and from the centre
3. Improved access to and from immediate neighbourhood
4. Further uses of Westfield land for community, residential or office uses, in addition to retail
5. A main street environment, similar to Nuffield St, Newmarket
6. Wider variety of shops and services

Additional comments :

As I don't drive I would like to see the bus stops stay where they are or as close to it, as this works just fine for me. So wouldn't like to see them moved to Paur.

I request that Council approve the plan modification.

do/do not (strike one out) wish to attend the hearing in support of my submission

Signed

K. M. Keutenius.
