This is a submission on proposed St Lukes Plan Modification 8

Current Auckland City District Plan: Operative Isthmus Section 1999

Submission : oppose

I ~~support~~ the proposed plan modification and in particular the provision for the likes of :

1. Additional parking on Westfield land — over development of the site
2. ~~Improved pedestrian access to and from the centre~~
3. ~~Improved access to and from immediate neighbourhood~~ ^{impacts on}
4. ~~Further uses of Westfield land for community, residential or office uses, in addition to retail~~
5. ~~A main street environment, similar to Nuffield St, Newmarket~~
6. ~~Wider variety of shops and services~~

Additional comments :

This is a suburban area and westfields has out grown the site — there are huge impacts on traffic and little in the way of 5009 public transport

I request that Council ~~approve~~ ^{reject} the plan modification.

I ~~do~~ do not (strike one out) wish to attend the hearing in support of my submission
