Plan modification: proposed plan modification 8 private plan change St Lukes Westfield

1. The specific provision of the plan modification that my submission relates to is: Rezoning of Residential 6A to business 8 and rezoning residential 7b to business 8
2. I/we : Generally oppose, but seek amendments as an alternative its decline
3. The reasons for my / our views are: it is unnecessary for these zones to be changed. If Westfield st Lukes made an effort to communicate and work with the local residents to insure furure developments have minimal adverse impact on the local enviroment an agreement to proceed with development can be achieved through a resource concnt. I totally appose a road accessing Aroah Avauue. it is surly more practical to have a raod linking Exiter Road and Cornwallis Street.
4. I / We seek the following decision from the council: Decline the plan modification
5. I / We wish to be heard at the council planning hearing: Yes
6. I / We would be prepared to present a joint case at the hearing with any others making a similar submission: No
