

I / We support  / oppose  seek amendments  to the plan modification. The reasons for my / our views are;  
Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. Expansion of St Lukes will cause a significant increase in traffic in the area. Creation of a through road will provide an alternative route to/from St Lukes via residential areas, some of which is residential zone 1. The intention of zone 1 as defined by council literature is to ensure "survival of the historic form, buildings and streetscapes in Auckland's earliest established residential neighbourhoods." Creation of alternate traffic routes causing significant increases in traffic and on road parking will totally undermine this intention and cause severe inconvenience to neighbours.

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.
