This is a submission on the following plan modification (state plan modification name and number)			
<i>Proposed plan modification 8 – private plan change Westfield St Lukes</i>			
This submission relates to: <i>The 1999 Operative Isthmus Section of the Auckland City District Plan</i>			
<input checked="" type="checkbox"/> <b>I/ We oppose the plan modification. The reasons for <u>my</u> our views are:</b>			
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> <b>Dominance.</b> The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts.</li> <li><input checked="" type="checkbox"/> <b>Further uses.</b> Use of land for offices and retail is unsuitable because it will impact on residential character in the area.</li> <li><input checked="" type="checkbox"/> <b>Additional access and Rezoning.</b> Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area.</li> <li><input checked="" type="checkbox"/> <b>Environmental effects.</b> The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees.</li> <li><input checked="" type="checkbox"/> <b>Private plan change.</b> This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time.</li> <li><input checked="" type="checkbox"/> <b>Main street development.</b> It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland.</li> </ul>			
I respectfully request the council decline the proposed plan modification in its entirety.
