| This is a submission on the following plan modification (state plan modification name and number) <i>Proposed plan modification 8 – private plan change Westfield St Lukes</i> | | | |
| This submission relates to: <i>The 1999 Operative Isthmus Section of the Auckland City District Plan</i> | | | |
| I / We oppose the plan modification. The reasons for my / our views are: | | | |
| <input type="checkbox"/> Dominance. <i>The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts.</i> <input type="checkbox"/> Further uses. <i>Use of land for offices and retail is unsuitable because it will impact on residential character in the area.</i> <input type="checkbox"/> Additional access and Rezoning. <i>Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area.</i> <input type="checkbox"/> Environmental effects. <i>The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees.</i> <input type="checkbox"/> Private plan change. <i>This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time.</i> <input type="checkbox"/> Main street development. <i>It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland.</i> | | | |
| I respectfully request the council decline the proposed plan modification in its entirety. | | | |
| I / We wish to be heard at the council planning hearing | | Yes | <input checked="" type="radio"/> No |
| I / We would be prepared to present a joint case at the hearing with any others making a similar submission | | Yes | <input checked="" type="radio"/> No |
