

To: Auckland City Council,

RE: ST LUKES WESTFIELD
Proposed Plan Modification 8.

- B5. Exeter Road Extension: S.1 to S.7.
D2. Construction of the proposed Exeter Rd Extension linking Exeter Rd with Aroha Ave. A to E

We would like to oppose to the above mentioned:

We oppose because Aroha Ave is already being used as access, and ~~with~~ ^{with} the above development, Aroha Ave will become a major short-cut to reach ST Lukes, thus making traffic & noise to a stage where families will not be able to have a quality life & peaceful surroundings.

We seek the council to decline the above plan modification.

We will not be attending the hearing.
