I / We support / oppose / seek amendments to the plan modification. The reasons for my / our views are;

Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

I oppose any expansion of St. Lukes out of its current commercial zone footprint. My specific concerns relate to the impact these proposed changes will have on Aroha Ave and the surrounding Morningside and Sandringham community.

I also oppose this proposal as Aroha Ave already has significant on street parking problems. Staff from Westfield currently use Aroha Ave for all day parking, more staff will only increase the pressure on our already congested road.

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.

decline / accept / accept with amendments

I urge the council to decline this amendment to our current zoning, as it will not provide any enhancement to our area.
