Aroha Avenue has a lot of charm. ~~The~~ beautiful trees and houses are becoming rare in Auckland these days and it would be a great loss to the city, as well as a tragic one to all the families living here if Aroha Ave became ~~just~~ another mall entrance. The community living around Girdlehurst park is already effected badly by the mall surely they don't need to destroy this street as well.

I / We seek the following decision from the council (give precise details):  
Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.
