I / We support / oppose / seek amendments to the plan modification. The reasons for my / our views are;

Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

I oppose this proposal as the area round West fields St Lukes already has significant street parking problems the wider area already has traffic problems, the proposed changes will worsen this traffic congestion the general safety of residents and their privacy with the increased number of people using Aroha Avenue + Grubbokurst Park to access St Lukes

while I enjoy the amenities of St Lukes its proposed scale is out of place in the surrounding residential area

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "in" the plan modification or "outside the scope" of the plan modification and will not be considered.

decline / accept / accept with amendments

Decline The Proposed Plan change in its entirety
