I / We support / oppose / seek amendments to the plan modification. The reasons for my / our views are;

Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

I oppose the plan modification because it will destroy the residential character of the area I have chosen to live in. Aroha Ave is a peaceful, quiet street which has an historic character and charm. The modification will encroach on the privacy, peacefulness and visual character of our street.

The growth of Westfield St Lukes will dominate not only Aroha Ave but the whole St Lukes area. I feel that this does not serve our community or represent who we are. It will cause a loss of space, sunlight, peace and quiet, and visual character. The increase in traffic volume will also impact negatively on these aspects.

The noise pollution is also a problem as I am a music teacher and a recording musician.

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.
