I / We support / oppose / seek amendments to the plan modification. The reasons for my / our views are;
 Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

St Lukes is ~~again~~ sufficiently large. Expanding would degrade residential neighbourhood and would impact on the other retail areas nearby reducing diversity.

Traffic congestion is already heavy in ~~88~~ area and increased traffic would affect our ability to travel to and through the area.

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.
