I / We support  / oppose  / seek amendments  to the plan modification. The reasons for my / our views are;  
 Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

• Change from residential zoning (i) The current mall area is sufficient for the local and wider community. The impact on the streetscape and the loss of character of the neighbourhood would be negative.

• The ~~area~~ <sup>character</sup> mix of old and new is one of the appeals to ~~visit~~ <sup>shopping</sup> in this area. The ~~mall~~ <sup>mall</sup> would dominate the character if extended.

• The Traffic volumes already negatively effect my ability to cross town and visit local residents near the mall. Parking offer at a premium in the area. Also impacts on ~~ability~~ <sup>not</sup> my choosing to visit businesses in the area surrounding the mall whether or not to

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.
