This is a submission on the following plan modification (state plan modification name and number)

*Proposed plan modification 8 – private plan change Westfield St Lukes*

This submission relates to: *The 1999 Operative Isthmus Section of the Auckland City District Plan*

**I / We oppose the plan modification. The reasons for my / our views are:**

- Dominance.** The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts.
- Further uses.** Use of land for offices and retail is unsuitable because it will impact on residential character in the area.
- Additional access and Rezoning.** Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area.
- Environmental effects.** The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees.
- Private plan change.** This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time.
- Main street development.** It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland.

**I respectfully request the council decline the proposed plan modification in its entirety.**
