**This is a submission on the following plan modification** (state plan modification name and number)  
*Proposed plan modification 8 – private plan change Westfield St Lukes*

**This submission relates to:** *The 1999 Operative Isthmus Section of the Auckland City District Plan*

**1 / We oppose the plan modification. The reasons for my/ our views are:**

- Dominance.** *The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts.*
- Further uses.** *Use of land for offices and retail is unsuitable because it will impact on residential character in the area.*
- Additional access and Rezoning.** *Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area.*
- Environmental effects.** *The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees.*
- Private plan change.** *This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time.*
- Main street development.** *It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland.*

**I respectfully request the council decline the proposed plan modification in its entirety.**

I / We wish to be heard at the council planning hearing	Yes	No
I / We would be prepared to present a joint case at the hearing with any others making a similar submission	Yes	No
