This is a submission on the following plan modification (state plan modification name and number) <i>Proposed plan modification 8 – private plan change Westfield St Lukes</i>			
This submission relates to: <i>The 1999 Operative Isthmus Section of the Auckland City District Plan</i>			
<b>I / We oppose the plan modification. The reasons for my / our views are:</b>			
<input type="checkbox"/> <b>Dominance.</b> The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts. <input type="checkbox"/> <b>Further uses.</b> Use of land for offices and retail is unsuitable because it will impact on residential character in the area. <input type="checkbox"/> <b>Additional access and Rezoning.</b> Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area. <input type="checkbox"/> <b>Environmental effects.</b> The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees. <input type="checkbox"/> <b>Private plan change.</b> This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time. <input type="checkbox"/> <b>Main street development.</b> It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland.			
<b>I respectfully request the council decline the proposed plan modification in its entirety.</b>			
I / We wish to be heard at the council planning hearing		Yes	No
I / We would be prepared to present a joint case at the hearing with any others making a similar submission		Yes	No
