This is a submission on the following plan modification (state plan modification name and number) <i>Proposed plan modification 8 – private plan change Westfield St Lukes</i>		
This submission relates to: <i>The 1999 Operative Isthmus Section of the Auckland City District Plan</i>		
I / We oppose the plan modification. The reasons for my / our views are:		
<ul style="list-style-type: none"> <input type="checkbox"/> Dominance. The size, scope and height of the proposed development is inappropriate in a residential area as it will have negative visual, shading, light and noise impacts. <input type="checkbox"/> Further uses. Use of land for offices and retail is unsuitable because it will impact on residential character in the area. <input type="checkbox"/> Additional access and Rezoning. Changes will worsen already significant traffic problems in surrounding areas that have been caused by development in and around the Westfield St Lukes area. <input type="checkbox"/> Environmental effects. The changes will have a negative impact on the environment, e.g. degradation of waterways, air pollution from increased traffic, loss of trees. <input type="checkbox"/> Private plan change. This means a blank envelope with only the most rudimentary of controls over which the community would not have a say, now or at any future time. <input type="checkbox"/> Main street development. It doesn't promote and develop important existing local shopping centres such as Mt Albert, Sandringham and Kingsland. 		
I respectfully request the council decline the proposed plan modification in its entirety.		
I / We wish to be heard at the council planning hearing	Yes	<input checked="" type="radio"/> No
I / We would be prepared to present a joint case at the hearing with any others making a similar submission	Yes	<input checked="" type="radio"/> No
