Please use a separate form for each separate matter for submission

The specific provision of the plan modification that my submission relates to is:

FURTHER USE

My main issue is with the change of Aroha Ave str being a through-road for St Lukes. This will totally change the character of the neighbourhood increase traffic, Aroha Ave will turn into overflow parking for St Lukes

I / We support  / oppose  / seek amendments  to the plan modification. The reasons for my / our views are;

Note: if you generally support the plan modification but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the modification but seek amendments as an alternative to its decline, you should tick both the "oppose" and the "seek amendments" box.

This is a residential street, quiet, next to the park. This change will turn it into a high-traffic zone, people will park all over the shops when the mall is busy, + the mall extension will dominate the whole area. Traffic will increase and it will be noisy. This will totally change the character of the neighbourhood.

I / We seek the following decision from the council (give precise details):

Note: the decision requested from council should only relate to the content of the plan modification. Any matters raised which do not directly relate to the plan modification will be treated as being not "on" the plan modification or "outside the scope" of the plan modification and will not be considered.

decline  / accept  / accept with amendments

I have attached additional information Yes No

I / We wish to be heard at the council planning hearing Yes No

I / We would be prepared to present a joint case at the hearing with any others making a similar submission Yes No
