## VISUAL PROTECTION OF VOLCANIC CONES

### Map Series 4a Sheet 15

**Height Restrictions**

The height restrictions indicated by the colour scale within the Volcanic Cone Viewshafts, while as accurate as possible, are indicative only and **Appendix I should be referred to for the specific coordinates that relate to each viewshaft**. Where more than one viewshaft crosses an area, only the resulting lowest height restriction is depicted.

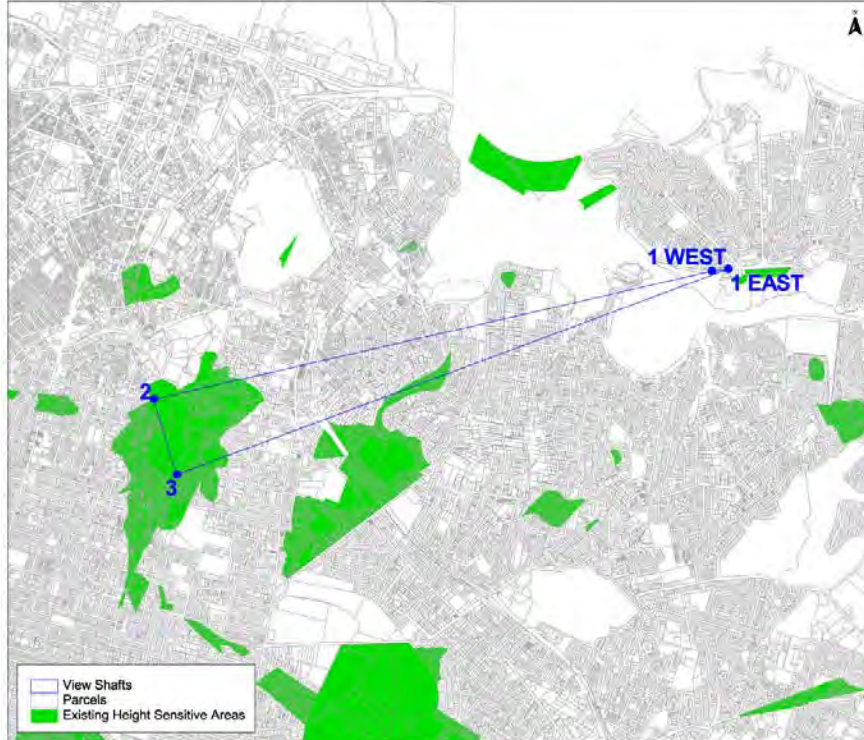

Where viewshafts cross the Coastal Marine Area, the resulting height restrictions are not depicted for map clarity. Contact the ARC for additional information or refer to Appendix I.

The Height Sensitive Areas and areas of reserves or domains depicted surrounding major volcanic cones remain unaltered from the June 1999 Operative RPS.
