

NORTH SHORE CITY DISTRICT PLAN

PROPOSED PLAN CHANGE 36

Notable Trees in North Shore City

Public notification: 15 April 2010

Close of submissions: 16 May 2010

This is a Council-initiated plan change

EXPLANATORY NOTE – this does not form part of the proposed plan change

This proposed change to the District Plan seeks to review and update Appendix 8C, Schedule of Notable Trees to ensure that it continues to represent the most significant trees and groups of trees in the city. The plan change is the result of several months of fieldwork assessing all current and nominated listings. The changes include:

- the deletion of trees no longer considered worthy of scheduling due to poor pruning and unlawful damage, disease and damage through such things as severe lightning strikes.
- the review and improvement of background data to the Schedule including the review and correction of legal descriptions of land that have changed due to subdivision.
- the addition of suitable trees from a nomination process in the summer of 2008.

As per Section 86B (1) of the Resource Management Act 1991, the proposed plan change only will only have legal effect once it reaches the Decision Notice stage following submissions being received on its content. Note however that existing operative District Plan provisions related to Scheduled trees continue to have legal effect.

It is not proposed to alter any of the objectives, policies or activity statuses related to the Schedule, but rather to review its content and ensure that it continues to meet its objective of protecting the city's significant trees. These trees and groups of trees are an important part of North Shore City's character, and Auckland's natural heritage.

Text which is underlined is that which is proposed to be added by this plan change.

Text with ~~strike through~~ is proposed to be deleted by this plan change.

Numbers and format may vary due to consequential changes arising from the above.

Should you wish to view this information electronically visit the North Shore City Council website at www.northshorecity.govt.nz.
