

North Shore City District Plan

(Further provision approved – 2007 [Long Bay])

A further provision to the North Shore City District Plan 2002 was approved by the North Shore City Council by resolution passed at its meeting held on 19 September 2006, SM-9.

This further approval is to pursuant to clause 17 of the First Schedule to the Resource Management Act 1991.

The approved provision is the "Residential Expansion" zoning at Long Bay, as seen on Maps 4, 7 & 8 of the operative District Plan 2002.

This zoning will be operative as of 4 pm on **28 June 2007**.

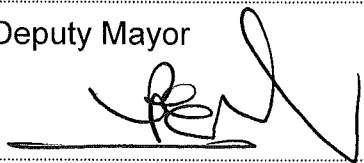

Note 1: The effect of this zoning becoming operative is that Variation 66 merges with Plan Change 6, and accordingly the two instruments are deemed to be one Change to the operative Plan, that is, Plan Change 6 - see RMA, First Schedule, Clause 17 (1A) and (1B).

Note 2: Schedule A (Revision 4) lists all matters that remain outstanding as at the operative date above. The relevant ('excluded') Plan provisions are demarcated as 'not operative' and cross referenced back to Schedule A (Revision 4). The provisions of the Transitional Operative District Plan remain relevant to the outstanding (not operative) provisions.
