

APPENDIX 12M

SPECIAL 16 (OMAHA SOUTH DEVELOPMENT) ZONE IDENTIFICATION OF FRONT, REAR AND SIDE BOUNDARIES

R = Rear Boundary
S = Side Boundary
F = Front Boundary

Notes:

- (i) On corner sites, the longer internal boundary shall be the side boundary. If both internal boundaries are the same length then one shall be a rear boundary and the other a side boundary.
- (ii) On rear sites, the longer pair of opposing boundaries (excluding those on the access leg) shall be side boundaries.
