

re-identification of land

RULES

1.0 General

The following rule shall apply to all subdivision of *land* involving the creation of roads or reserves.

1.1 Permitted Activity

Activities meeting the following Performance Standards are *Permitted Activities*.

- re-identification of *land* as *Transport Environment* or *Open Space Environment* as a consequence of land vesting in Council as a road or reserve as a result of *subdivision*.
- re-identification of *land* as *Open Space Environment* that is owned by Auckland Regional Council for regional parks purposes.
