

## Appendix 3

### Recommended amendments to the Plan

#### Appendices

1. Amend the sixth paragraph of appendix 3 - Character statements for conservation areas, as follows:

The essential qualities of the Rocky Bay conservation area are thus made up of the centre itself with its major component items, the central bush-clad reserve, the shoreline of Pohutukawa Avenue from the centre to the site of the original wharf and its remains, and the opposite shoreline towards the east. ~~eastwards towards Goldie Point.~~

#### Maps - inner islands

2. Delete the words 'Goldies Point' from sheet 15, maps 1 and 2
3. Amend the street index that appears in the front of the planning maps for the inner islands as follows:
  - a. Delete the following streets as they are found on Rakino, not on Waiheke:
    - Askew Avenue
    - Jane York Place
    - Marine Park Avenue
    - Ocean View Crescent
    - Sandford Way
    - South Pacific Road
    - Woody Bay Road
