NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS
Section 274, Resource Management Act 1991

Federated Farmers of New Zealand

To: The Registrar
Environment Court

Wellesley Street
AUCKLAND

I, Federated Farmers of New Zealand, wish to be a party to the following proceedings:

ENV-2009-AKL-000330
Answer Service Holdings Limited v Auckland City Council

I am a person representing a relevant aspect of the public interest. The grounds for saying that I come within this category are that:

Federated Farmers of New Zealand (Inc) is a representative body for all farmers. The subject matter of the appeal is a matter of interest for the farmers of the Auckland region, and they constitute a sector of the public at large. Federated Farmers is in an appropriate position to represent that interest.

I am interested in part of the proceedings.

The part of the proceedings I am interested in is:

The parts of the proceedings described in the following sections of the appeal:

Prescriptive Lists for managing activities and effects based planning
(Paras 8.23 – 8.27);
Definitions
(Paras 8.86 – 8.89)

I am interested in the following particular issues:

All of the issues relevant to the respective particular sections of the appeal described under “the part of the proceedings I am interested in” above.

I support or oppose the relief sought because:

Prescriptive Lists ...

The relief sought is supported because It is ultra vires to deem all activities outside a prescribed list to have a particular activity status.

Definitions

The relief sought is opposed because the definitions proposed are not sufficiently broad to cover the full range of activities that might take place on rural land.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
