The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Ridgeview Estate Limited, 129 Carsons Road, Waiheke, Submission #120

I / We: Oppose these particular parts of the above submission:
to allow for two extra dwellings on the property

The reasons for my / our support or opposition to the above submission are:
This request in addition to another submission by this submitter for 5 hostels on the property is substantially in excess of permitted activity in the plan and would turn a rural area effectively into a subdivision, changing the character of the area altogether into a mini suburb.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
