The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Ridgeview Estate Limited, 129 Carsons Road, Waiheke, Submission #146

I / We: these particular parts of the above submission:
changing 5 days to 3 months

The reasons for my / our support or opposition to the above submission are:
Council's object in setting 5 days for temporary facilities is to ensure they are temporary. Relaxing this requirement to 3 months substantially changes the scale of activity and makes the facilities seasonal, which is a very different matter, and much more likely to affect neighbours, transportation and infrastructure.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
