The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Ridgeview Estate Limited, 129 Carsons Road, Waiheke, Submission #148

I / We: Oppose these particular parts of the above submission:
extensions of operating hours to 11pm Sunday -Wednesday and 1am other days

The reasons for my / our support or opposition to the above submission are:
The current operating hours are liberal and already intrusive on rural neighbours. Extensions of operating hours (e.g to 1am) effectively mean extension of noise pollution levels in rural environments to later hours because of the time spent in closing up, noises of guests leaving and talking in car parks. The noise pollution of commercial activity beyond present levels disrupts the tranquility of rural settings and disturbs native fauna.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
