The specific provision that my submission relates to is:

I / We: Oppose the submission of:  
Ridgeview Estate Limited, 129 Carsons Road, Waiheke, Submission #329

I / We: Oppose these particular parts of the above submission:  
increase the number of hostel units to 5

The reasons for my / our support or opposition to the above submission are:  
The submission requests special allowance for 5 hostel units for staff and another submission requests a special allowance for two extra dwellings. This request is far in excess of Council provisions for this land unit and will effectively change the rural character of the area into a suburban one.

I / We seek that:  
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
