The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Ridgeview Estate Limited, 129 Carsons Road, Waiheke, Submission #477

I / We: Oppose these particular parts of the above submission:
to remove the ridgeline of 129 Carsons road

The reasons for my / our support or opposition to the above submission are:
The significant ridgeline designation was determined by professional survey and is in keeping with the topography. The presence of the vineyard on the land has left the topography unchanged and the request to change the survey designation is not justified.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
