Subject: District Plan submission

Submitter details

Full name: Timothy Moon
Organisation:
Agent:
Address for correspondence: 11 Musson Dr, RD1, Waiheke Island Business phone: +6493727050 Home phone: +6493727050 Email address: tim@pagan.co.nz

The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Denis Musson- Ridgeview Estate 119

I / We: Oppose these particular parts of the above submission:
Table 10c- Increasing the Levels of Noise LF5

The reasons for my / our support or opposition to the above submission are:
Council has proposed reasonable levels and hours for noise. LF5 , specifically the submitters operation, is surrounded by residential properties and sensitive fauna habitats, which would be greatly affected by increased noise levels, nighttime noise and 7 days per week operation. The submitter is only concerned with its commercial operation regardless of the noise nuisance caused. Noise is pollution; the HGI plan should protect the community and environment from increased pollution. Council should set limits at conservative levels to ensure the further enhancement of Waiheke as a whole.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
