The Farming of goats as a Discretionary activity

Submission number

The particular parts of the above submission which I / we support / oppose are:
(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

land owner rights to manage and monitor a farming regime utilising goats for weed control and meat production.

The reasons for my ~~low~~ support or opposition to the above submission are:

land owners need to create a lively food on marginal lands utilising low cost means and there's a link between Sustainable + Subsistence.
