Submitter details

Full name: Barry Turumaka Robson

The specific provision that my submission relates to is:

I / We: Oppose the submission of:
John Ogden and Jenni Ogden, 123 Aotea Rd., Great Barrier Island. Submission number
3051

I / We: Oppose these particular parts of the above submission:
"Remove the unformed road designation of O'shea Road."

The reasons for my / our support or opposition to the above submission are:
O'Shea Road is the only means of access to the privately owned sections Lots 6, 7, 8
and 9 DP 71254.

Indeed, Auckland City lists Lots 6, 7 and 8 as numbers 25, 35 and 45 O'Shea Road.
Should O'Shea Road become unoperational then access to these lots would be completely
cut off. O'Shea Road continues on from Omata Road and the north part of O'Shea Road is
already formed with gravel enabling good vehicle access to lots 6 and 7. O'Shea Road
is not particularly steep and is well below the summit line of the dominant ridge.

I / We seek that:
part of the submission be disallowed

I / We wish to be heard at the council planning hearing: No

I / We would be prepared to present a joint case at the hearing with any others making
a similar submission: Yes
