We support the submission of Phee Phanshell (Submission Number 3720):

Address: PO Box 177, Oneroa Waiheke island. Tel: 09 372 6402. Email: franklyscarlett@paradise.net.nz

The Particular Parts of the submission we support are:

Re: Part 13.8.5 - That Council's assessment of the overall impact of helicopters also includes consideration of the cumulative effects of the number of helipads sites in Rural 1 – 2.

The Reasons for our support to the above submission are:

That community well-being and related amenity values of quiet are very important.

That the adverse effects of helicopter operations are more than minor.

That cumulative effects of multiple helipads add up to an intolerable nuisance.

That reconciliation with the key principles inherent in "Essentially Waiheke" is important.

That reconciliation with the "well-being & enhancement" references of Sections 7, 8 of the HGMPA 2000 is important.

We seek... That the whole submission be allowed –

We wish to be heard at the council hearing.

We would be prepared to present a joint case at the hearing with any others making a similar submission.
