Please use a separate form for each separate matter for submission

The specific provision that my submission relates to is:

Note: clearly identify the particular paragraph, objective, policy, rule or map.

PART 10 a.

Land Units: objectives, policies and activities.

Specifically for Pt. Barrier Island, and the Awana.

Refer to Planning map 50 no. 1.

continued on reverse

We support / oppose / seek amendments to the plan. The reasons for my / our views are:
Note: if you generally support the plan but seek some amendments to it you should tick both the "support" and the "seek amendments" box. If you oppose the plan but seek amendments as an alternative to deleting the specific provision, you should tick both the "oppose" and the "seek amendments" box.

We oppose the designation of ~~the~~ an area on our property and our neighbours property which is adjacent to the Awana River! Cl. Barrier Island.

This has been designated Landunit 6 and Landunit 3.

This is incorrect. This is a wetland, Landunit 4

Please refer to attached evidence, maps including photographs on CD.

We seek the following decision from the council (give precise details, and clearly identify the amendments you seek)
Note: the decision requested from council should only relate to the content of the plan. Any matters raised which do not directly relate to the plan will be treated as being not "on" the plan or "outside the scope" of the plan and will not be considered.

That the area identified on the maps attached be identified as Landunit 4 a wetland system.
