**Submission 118:** Amend Table 10c.1 Noise for Land Form 5 to be "65dba for all times"

**The reasons for our opposition to the above submission are:**

The existing controls of 50dba for Monday to Saturday between 7.00am -10.00pm and Sunday between 9.00am-6.00pm, and 40dba at all other times, are considered very suitable for this rural environment where the background noise levels are very low.

Any higher level would cause gross disturbance and intrusion to neighbours who have purchased property in order to have peace and tranquility and a restful lifestyle.

**We seek the whole submission be disallowed**

**We wish to be heard at the council planning hearing** YES

We would be prepared to present a joint case at the hearing with any others making a similar submission      Yes
