The specific provision that my submission relates to is:

I / We: Oppose the submission of:  
Ridgeview Estate Sub#120

I / We: Oppose these particular parts of the above submission:  
all

The reasons for my / our support or opposition to the above submission are:  
We object to multiple dwelling on rural land. The purpose of the HGI is to preserve, protect and enhance rural amenities. Multiple dwellings would create adverse effects, destruction and stress of resource. Demand for additional accommodation can be serviced through the existing suburban zones, if demand exists market opportunity will be met.

I / We seek that:  
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
