I / We oppose the submission of Ridgeview Estate Limited (Submission Number 146):

Address: 129 Carsons Road, Waiheke Island. Bus: 372 6158. Home: 372 6158. Email: denismusson@internet.co.nz

The particular parts of the submission I / we oppose are:

We oppose the suggested amendments to Part 4.5.3.2.a that Temporary Events should have their permitted activity duration extended from 5 days max to 3 months.

The reasons for my / our opposition are:

We submit that Temporary Activities events usually have associated adverse effects that are more than minor.

We submit that such adverse effects result from the consequent noise pollution of partying congregations of people, loud music, loud cars and helicopter noise. Extending the duration of temporary events would merely exacerbate "more than minor adverse noise effects", especially in the 'cumulative effect' provision of the RMA.

We seek... That the whole submission be disallowed -

We wish to be heard at the council hearing.

We would be prepared to present a joint case at the hearing with any others making a similar submission.
