We oppose the submission of: Ridgeview Estate Ltd, 129 Carsons Road,
RD1, Waiheke island
Submission No. 148 //

The particular parts of the above submission which we oppose are:

(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

Submission 148 : Amend 4.5.3.2.c ii "Any associated electronically amplified entertainment complies with all of the following:

" It finishes no later than 10.30pm between Sunday and Thursday, 11pm on Fridays and Saturdays and 1am on New Years Day"

To " It finishes no later than 11.00pm between Sunday and Thursday and 1.00am at all other times."

The reasons for our opposition to the above submission are:

We live in a quiet rural area well away from the urban limits. Electronically amplified entertainment noise carries long distances and can be very intrusive, (particularly at night) due to the low ambient background noise levels.

Amplified sound at any later times at night would cause gross disturbance to neighbours who have purchased property in order to have peace and tranquility and a restful lifestyle.

We seek the whole submission be disallowed

We wish to be heard at the council planning hearing **YES**

We would be prepared to present a joint case at the hearing with any others making a similar submission **Yes**
