The specific provision that my submission relates to is:

I / We: Oppose the submission of:
Ridgeview estate sub#150

I / We: Oppose these particular parts of the above submission:
all

The reasons for my / our support or opposition to the above submission are:
We strongly oppose changes to this provision. LU5 is productive land and should not be open to large scale and prolonged public events which create numerous negative impacts to the surrounding residents, Island infrastructure and environment. Such events must be tightly controlled as to their size, frequency, duration and seasonality.

I / We seek that:
the whole submission be disallowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
