*(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)*

**Submission 329** Amend Table 10a.6.5 "Rules Activity table" for Land Form 5 to include " Boarding Houses and Hostels" found in .Land Form 3.

**The reasons for our opposition to the above submission are:**

Land Form 3 is for Alluvial Flats which are a unique land form by the coast and totally different to Land Form 5 which is productive land. Boarding houses and Hostels would be totally inappropriate for Land Form 5 which is a rural environment that does not require recognition of unique resource management issues such as:

*"How to recognise that productive activities may need to be complemented by non-productive activities to ensure that a reasonable economic return for the landowner is achieved."*

**We seek the whole submission be disallowed**

**We wish to be heard at the council planning hearing** YES

We would be prepared to present a joint case at the hearing with any others making a similar submission  Yes
