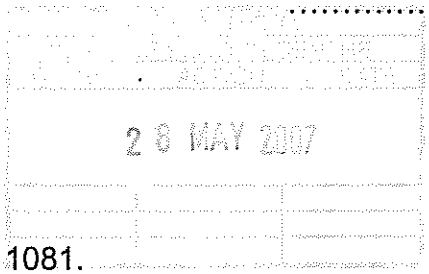
Further Sub No. 661

ACC District Plan - Proposed Hauraki Gulf Islands Section 2006
Further Submission Form

To the Manager,
Islands, City Planning
Auckland City Council
Private Bag 92516
Wellesley Street,
Auckland, 1[redacted]

For office use only
Submission No.
.....



Full name[s]: **Craig Adam Brown**

Address: 11 View Road, Waiheke Island, 1081.
Phone: 09 372 9190
E-mail address: craig@greywater.co.nz

I oppose the submission of **Metrowater** located at the corner of Mt Albert and Mt Eden Roads, Three Kings, Auckland or at postal address P.O.Box 27060 Mt Roskill, Auckland. Submission No: **519**

I oppose the total submission.

Reasons The submission if accepted would lead to a situation where the island could be reticulated without consent (presumably because consent would not be forthcoming if requested). This objective is contrary to existing Council policies in these areas, which in turn are a result of continued and persistent and committed restatement of the community's will NOT to be reticulated. Reticulation would require numerous energy-hungry pumping stations and treatment plants and would make our beaches unsafe to swim in after rainfall (as in the rest of Auckland where sewage overflows from the sewage system). It would also allow infill housing, destroying the character of the island and would be accompanied by a significant initial and ongoing fees that are unnecessary.

I seek that the whole submission be disallowed.

I wish to be heard at the council planning hearing.

I would be prepared to present a case with others of like mind.

Signed:

Dated: 24 May 2007
