I oppose the submission of Metrowater located at the corner of Mt Albert and Mt Eden Roads, Three Kings, Auckland or at postal address P.O.Box 27060 Mt Roskill, Auckland.  
Submission No: 519

I oppose the total submission.

Reasons The submission advocates for a carte blanche consent free environment on spurious grounds, to open the door to full waste water treatment / reticulation [ noting the definition of waste water in the Local Government Act 2002 ] without input or mandate from the community. To provide one of many examples the submission seeks to delete the phrase 'post septic tank' from the district plan. This objective is contrary to existing Council policies in these areas.

I seek that the whole submission be disallowed.

I wish to be heard at the council planning hearing.
