I support the submission of: Gordon S Hodson 615/1		
<i>Opposes the entire Plan and seeks that full consideration be given to redrafting the Plan after any amendment to the text, maps or appendices, are made as a consequence of submissions to ensure that the new operative Plan is a workable document for lay people to use, understand and have confidence in.name and address of original submitter and submission number of original submission if available)</i>		
		Submission number:
<b>The particular parts of the above submission which I / we support / oppose are:</b>		
<i>Redrafting the entire proposed plan so that the structure is in kereping with the Operatirve District Plan ie based ion Catchments, so it is workable and easily understandable by lay people.</i>		
<b>The reasons for my / our support or opposition to the above submission are: The Proposed plan ignores Waiheke as an Island and a community and is so complex even experienced lay people can't understand it.</b>
