The Particular Parts of the submission we support are:

579/23 (Refers to Part 13 Transport).

The Reasons for our support to the above submission are:

By making clear reference to an overall Waiheke Island Transport Strategy **yet to be formulated** gives a clear signal that the PDP must be flexible enough to be able to accommodate this transport strategy when it is finalized. Failure to do this will not contribute towards achieving a sustainable future for Waiheke Island and its people.

We seek ~~The whole submission be allowed / disallowed~~
Part of the submission be allowed / disallowed

We wish to be heard at the council hearing.

We would be prepared to present a joint case at the hearing with any others making a similar submission.
