I support the submission of Gordon Shirley Hodson (Submission No. 615/2)

Address: 20 Natzka Road, Ostend, Waiheke Island 1081.

The Particular Parts of the submission I support are:

The total submission.

The Reasons for my support to the above submission are:

I share the concerns of the submitter that the proposals in the D P review restrict the ability of affected persons to put their point of view to the planning department in many situations where previously they would have expected to. This is likely to increase community dis-satisfaction with the local authority control of planning matters, as people perceive **city employees** exercising direct control.

I seek... That the whole submission be allowed -

I DO NOT wish to be heard at the council hearing.

Signed..... Eileen Boghest ..... Date..... 28-5-07 .....
