Docket No. 1120

I / ~~We~~ support the submission of Anna Ripper (Submission Number 609):

Address: 28 Seaview Rd, Ostend, Waiheke Island. Tel: 09 372 6676. Email: organic@pl.net

The Particular Parts of the submission I / ~~we~~ support are:

That Part 4.5 of the PP "Temporary Activities" allows for entertainment of a very intrusive nature and opens the door to intensive interruption in a neighbourhood or community.

Policing of the standards set in 4.5 will be impossible, and proof of duration and time of activities will be up to affected neighbours.

The Reasons for my / ~~our~~ support to the above submission are:

We submit that Temporary Activities events usually have associated adverse effects which are more than minor.

We submit that such adverse effects result from the consequent noise pollution of partying congregations of people, and loud music, and loud cars and helicopter noise.

Such noise seriously challenges the well-being of Waiheke residential community

Experience has shown that policing of noise levels is onerous upon the affected, and most unsatisfactory in implementation.

I / ~~We~~ seek... That the whole submission be allowed -

I / ~~We~~ wish to be heard at the council hearing.

I / ~~We~~ would be prepared to present a joint case at the hearing with any others making a similar submission.

Signed... V. Worthington ..... Date... 25/5/07
